## Overview

---

The 2022 Cutwater 24 Coupe from the renowned builder, CUTWATER, is a marvel of innovative craftsmanship, specifically built to inspire and impress. This exquisite cruising yacht, stretching up to 24 feet (7.32m) in length, offers both charm and functionality, expertly blending comfort, style, and seafaring capability. Upon initial visual contact, the 2022 Cutwater 24 Coupe greets the onlooker with an elegantly streamlined profile, a testament to refined marine styling. The Coupe's sleek contours glide seamlessly from bow to stern, hinting at a promise of swift and smooth passage across any water bodies. The hull is expertly crafted to withstand the trials and tribulations of the sea, standing as a strikingly steadfast example of CUTWATER's pinnacle of construction. This cruising yacht features a dynamic layout design that expertly maximizes utility without compromised aesthetics. The spacious cockpit is versatile, furnished with comfortable seating for lounging, socializing, or admiring the shifting marinescapes. This space can easily be transformed into a dining area, perfect for intimate meals under the stars. A transom door at the stern further extends the available space, providing easy access to the swim platform and enhancing the overall cruising experience. Onboard the 2022 Cutwater 24 Coupe, the creativity and ingenuity of the builder continue to shine. The setting transitions smoothly from the outside to a warm and inviting interior. Inside, the Cutwater 24 Coupe unveils an open-concept galley, in which contemporary convenience meets tasteful design. It is equipped with top-tier appliances and spacious countertops, supporting both extended voyages or day trips. The lower deck hosts a thoughtfully designed cabin, elegantly appointed with a pleasing blend of luxury and comfort. It comprises a generous forward berth and provides ample natural light, creating a sense of spaciousness within the cozy quarters. The yacht's state-of-the-art bathroom prioritizes comfort and hygiene, featuring stylish fixtures and a decent-sized shower. Equipped with modern navigational and safety equipment, the 2022 Cutwater 24 Coupe proves itself not just in terms of aesthetics and comfort but also in its innate capacity to perform. The helm station is intuitively laid out, outfitted with a full suite of marine electronics to ensure smooth and easy navigation. The vessel is powered by an efficient, reliable engine that provides ample thrust for cruising through various marine conditions. One can effortlessly navigate through calmer inlets or venture into more challenging offshore waters with stable, reliable control. The carefully engineered fuel system together with efficient power utilization ensures extended cruising range, furthering the appeal of the 2022 Cutwater 24 Coupe as an ideal companion for long-distance voyages. The yacht also harbors multiple storage compartments accessible for storing essentials and recreational equipment. This feature allows sailors and passengers to maintain the trim and neatness of their living and recreational spaces creating a clutter-free, comfortable yacht environment. In terms of entertainment, the 2022 Cutwater 24 Coupe leaves no stone unturned. From a high-quality sound system to onboard WIFI capabilities, it suffices to ensure a more enjoyable, connected cruising experience. In conclusion, the 2022 Cutwater 24 Coupe blends elegance and sophistication with seaworthiness and performance, a reflection of the builder's perfect harmony between experienced craftsmanship and modern technology. Whether you are an avid sailor, a family pleasure Cruiser, or an occasional sea adventure enthusiast, this

masterfully constructed yacht could be your perfect match. It embodies the very definition of a cruising yacht – a vessel that not just transports you across the waters, but creates an environment of maritime luxury and enjoyment as you travel. It's not just a yacht; it is a sea haven that transcends ordinary boating into an extraordinary experience.
