SPECIFICATIONS

Overview

Built in 2016, the outstanding Sailfish 290 CC is another exemplification of the impeccable workmanship of its respected manufacturer, Sailfish. This magnificent craft casts a striking impact through high performance, premium comfort, and exceptional detailing, establishing itself as one of the highly demanded Sport Fisherman center consoles currently navigating the seas. With a commanding length of 30' 6" (9.3m), not only does the 290 CC project an aura of magnificence, it also offers generous space for various activities, regardless of whether your day is set for fishing or you prefer cruising along the coastline. This adaptable vessel has been rigorously designed to bear the intensive demands of high-speed sailing, all while maintaining comfort and ease for its occupants. The design visual of the Sailfish 290 CC manifests a potent and royal presence on the water. Its streamlined contours and solid construction exemplify the pinnacle of current marine architectural designs. The use of high-grade materials in its construction imbues it with a striking and strong physique, promising longevity that can withstand time and severe marine environments. Providing unparalleled functionality, the 2016 Sailfish 290 CC houses an impressive deck space, conducive for fishing aficionados. Its expansive layout integrates non-skid decks for safety and multiple features to support fisherman on their ventures. The deck fixtures include rod holders, live bait wells, fish boxes, and tackle storage, making it an optimal setup for any fishing escapade. Furthermore, the central console design delivers a seamless 360-degree fishing platform while the wide-beam creates ample space in the cockpit, accommodating several anglers to fish simultaneously without feeling congested. The heightened helm is strategically placed and decked with top-of-the-line marine electronics, including GPS and fishfinder. The 290 CC model upholds comfort in balance with its other assets. The forward seating is cushiony and offers a great observational view of the environment, with the stern featuring a relaxing bench seat for those enduring fishing trips. To enhance passenger comfort, this model also incorporates a sturdy T-top for shade and protection against harsh weather elements. Beneath the deck, the 290 CC reveals a spacious cabin which also serves as a storage compartment, set up with a practical head. This adds a valuable element that sufficiently boosts comfort, especially on extended voyages, propelling the 2016 Sailfish 290 CC into a domain typically reserved for larger and pricier vessels. In addition to its amazing features, the 2016 Sailfish 290 CC comes with proven 300 Yamaha engines that ensure smooth and effortless cruising. Its expertly designed hull guarantees a steady and comfortable ride even in turbulent waters. Designed for efficient planing, its advanced hull design enhances the vessel's speed and fuel efficiency.
