SPECIFICATIONS

Overview

The Tiara Yachts 44 Coupe, is one of the companies most popular and sought after vessels!

This 44 Coupe, is one of the best equipped, "every option": Including the "must have" SEAKEEPER GYRO STABILIZER SYSTEM, keeping the vessel free of much of the annoying rocking sensation, that undermines the joy of cruising! Multi Station Joystick controls making docking a breeze even for 1st time owners! Lovingly cared for by her original owner, of approx 535 hours, sparing no expense to be sure everything Works!

She's easy for a new Owner operator to get used too, Turn key and ready to go, from local coastal, keys and Bahamas' cruising. New owner orientation is included!

Located in beautiful Boca Raton Florida, she's a must see!

Walkthrough Boarding is via hydraulic swim platform with dual entry doors or port and starboard molded fiberglass steps into the cockpit. Dual glass sliding doors open to the salon. The yacht's galley is immediately to starboard, while an L shaped ultra leather settee is to port. Moving forward the helm is located to starboard, while the centerline companionway leads down 4 steps to the yacht's accommodations. To starboard is the day head/guest head. Moving forward is the master cabin with a centerline island pedestal berth. The ensuite master head is to port. Midship and just aft of the companion way is the guest stateroom featuring twin berths.
