SPECIFICATIONS

Overview

The Excess 11 is one of very few entry-level production catamarans at just under 38 feet. This model is designed to deliver an attractive, comfortable and straight-forward boat that is easy to sail and fun to live on. The smallest of the Excess range manages to fit four spacious cabins as well as two full sized heads midship. The large open cockpit and twin helm stations on deck keep you comfortable and connected to the rest of your crew, while the increased sail area and direct connection to rudders enhance your sailing experience.
