## Overview

2005 Chaparral Sunesta 216

**A well maintained, fresh water, one owner boat in excellent condition, with 793 hrs.**

This example of the Chaparral Sunesta 216, has always been a well maintained boat with receipts. It spent it's life in fresh water in the Midwest, before moving to Florida and playing in the fresh water lakes north of Orlando. The hull is virtually blemish free. The contrasting white hull with black accents gives it a good look on the water. It includes a new large bimini for great shade for the ICW runs. Bow & Cockpit covers are in good condition. Includes a Depth sounder, Speed and engine monitoring on the well laid out dash. All gauges are crystal clear, so no sun damage. A recent Stereo with cockpit speakers will give you plenty of sound. 10 Gallon Pressure water system, supplies water to the cockpit sink. This is a deck boat so it includes bow and stern boarding ladders. Extended swim platform. The enclosed head allows room for a Porti-Potti. Service records from new. Please look at the pictures of the upholstery, all is in exceptional condition, without any sun damage, this includes the helm and co-captain seat as well. There is an insert for the bow, so you can lay comfortable across the opening. The Chaparral 216 offers plenty of storage for boating toys. The swim platform allows for great access on and off the boat, whether you are in the water or stepping off a dock. The cockpit table stores very well under the sink cabinet.

The Mercury 5.0MPI give you plenty of speed while keeping the fuel cost down, part of that is the Bravo 3 outdrive with its efficiency increase using dual props.

If you like a boat with easy access to beaches, the Chaparral Sunesta 216 is the perfect boat with bow access without getting wet. The Chaparral Sunesta 216 is a well-designed boat with a quick to plane hull. This boat includes all of the life vest, water skis and tow lines for the new owner. It is worth taking a look.
