SPECIFICATIONS

Overview

New to Market!

This Italian built RIB exudes quality and leaves nothing to be desired with her generous seating areas and ample Mercury power with remaining warranty through 06/2026. The Zar 95SL makes an excellent yacht tender, as well as a capable island hopper with her V-berth and head within the console.

She was purchased new in June of 2023 and has the 3 year hull warranty from that date.
