Overview

VERY STRONG BOAT MADE FOR BLUE WATER FISHING AND CRUISING

Trailer and full canvas cover

“Operating cost is fractional compared to outboard vessels of the same size craft. This boat runs about 3.2 miles per gallon when cruising and only 1/2 gallon when trolling at 5-6 knots. I’ve added the 84” Rhodan trolling motor and paired it with a Dakota lithium battery for maintenance free operation and easy to get to”. *Current Owner Statement (230 D)*
