SPECIFICATIONS

Overview

Recent upgrades include **Bluetooth Stereo, portable AC/Heat and all NEW cabin screens**

A secondhand Sea Ray 240 Sundancer is a great boat if you're looking for a roomy cabin in a 24-foot bowrider. It's an ideal family all-around boat, small enough to be economical on fuel, but big enough to bring the family out for a day on the water.

The Sea Ray 240 Sundancer offers all the comforts that have made this series of bowriders so popular. The boat is easy to drive, maintain, and afford. There is space for six adults spread between the rear lounge, helmseats and bow and a family of four can sleep in its two berths. Parents take the forward V-bunk with five screened ventilation hatches while a smaller mid-berth is fully padded and large enough for two children or guests. Sea Ray build and materials are excellent, with durable stainless steel fittings and well-finished fiberglass. A secondhand Sea Ray 240 Sundancer makes a good choice for water sports or family cruising.
