Overview

The Pearson 28 has been a very popular racer/cruiser over the years. She actually sleeps 6 and would make a nice small family cruiser.

Overall the boat was a lot of fun. It would move nicely in light air with the right sails, would stand up to a blow, and motored nicely during deliveries.

Conclusion:

The Pearson 28-2 is a well-built, attractive boat; a perfect first "big boat." The boat is fun to sail, spacious and forgiving. (Sailing Magazine staff article, Sept.1 2010)
