# SPECIFICATIONS

---

## Overview

---

Taking form and function to new heights, the Horizon E75 is an evolution in design that cleverly builds on the success of the very popular E73 model. Immaculate in her presentation OHANA delivers a ship-like superyacht feel in a luxurious 'owner-operator' package. Boasting incredible versatility and volume, OHANA has been designed with the Australian way of luxury cruising front of mind.

A clear case of 'less is more', the E75 utilises Horizon's proven hull and engineering, but with greater efficiency than the E73, allowing you to benefit from reduced running costs and improved utility for long-range and liveaboard cruising.
