SPECIFICATIONS

Overview

RIGHT DIRECTION is a clean Cruisers 415 offering the ability to cruise in luxury with the comforts of home. A great option for a live-aboard, The Great Loop or cruising wherever your heart takes you. The twin cabin layout with large salon and enclosed helm and aft cockpit make her a great place to entertain family and friends with easy access to the bow and stern for docking.

Power is provided by twin Volvo D6 (370HP) diesels with under 1000 hours. There is a full electronics package at the helm including chartplotter, radar, VHF and multi-function engine guages with fuel management. A bow thruster makes close quarters maneuvering easier. When at anchor there is rigid bottom dinghy and 25hp Yamaha to go ashore with. The dinghy rests on a Freedom Lift on the aft swim platform when not in use.

Priced to sell, call to schedule an appointment.
