## Overview

---

"My Way Again" is a maintained 2013 Meridian 541 Sedan. This is a boat you need to see in person. The owner has taken meticulous care and spared no expense in maintaining this boat. The Meridian 541 provides comfort and entertainment like a much larger yacht, but is still easy enough for a couple or family to operate. Coastal cruising capabilities mean this can be your summer home in the New England, fall in the Mid-Atlantic, and enjoy winter in Florida and the Bahamas. At 54 feet in length the Meridian 541, with its twin independently articulated pod drives, feels effortlessly maneuverable and intuitive to control. Impeccably designed living spaces and sleeping quarters create a welcoming, relaxed atmosphere onboard. The three-stateroom, two-head layout provides berths for six passengers, while a convertible dinette can accommodate two more. The gracious comforts inside are mirrored in the 541's exterior spaces, as well: The aft cockpit blends seamlessly with the adjacent galley, while the flybridge with full-cover hardtop can provide seating, refreshments and entertainment for the whole crew. Below is a list of some of her key features and updates.

### Key Features:

- Three-stateroom, two-head configuration
- Twin 715HP Cummins diesels with Zeus pod drives & joystick with approximately 730 hours
