SPECIFICATIONS

Overview

Everything about the 260 BR, inside and out, challenges the standards of perfection. The builder is so particular as to plumb cup holders to the bilge or to finish the bilge with gelcoat or to include porcelain in the head (like home!) ... then you know everything has to be first-rate.

Double helm seat has divider so companion can adjust to own comfort.

Dry-fast foam in cushions allows water to drain instead of festering mildew.

Burly double foldout hinges allow unencumbered access under all seats.

Cocktail table straps to engine compartment instead of eating storage space.

Engine hatch opens electronically with a switch at the helm.

Well powered with Mercruiser 496 MAG, (609 Hours)Bravo III Drive
