SPECIFICATIONS

Overview

Introducing Thalassa, a majestic 80-metre yacht embodying the spirit of the Greek goddess of the beach. Much like her namesake, Thalassa offers a divine experience on the seas, boasting expansive decks with panoramic windows that immerse passengers in the beauty of the ocean. However, the pièce de résistance lies in its extraordinary beach club, featuring the largest openings ever built by Feadship in its esteemed 75-year history. Spanning an impressive 165 square meters and opening on three sides, the beach club on Thalassa creates a seamless connection to the sea, offering the owners and guests their own private stretch of coastline wherever she sails. Join us as we embark on a journey with Thalassa, where luxury meets mythology, and every voyage is an ode to the enchanting allure of the sea.
