SPECIFICATIONS

Overview

ARIA is a well-cared-for classic Hunt Harrier 25 with a 375-HP Volvo gas engine paired with a Volvo Aluminum Ocean X stern drive. Professionally maintained with indoor heated storage under current ownership for many years. She features a truly convertible bimini top that may be folded back and zipped inside a tailored cover or removed from the boat entirely by way of quick disconnect fittings. She is hull # 83, proudly built in 2010 in Rhode Island. Exterior cushions and topsides are in great condition, deck gelcoat sparkles, non-skid looks fresh. ARIA looks the part and runs like a top. All of her winter service work is complete and she is “ready to go” for summer 2024!!
