SPECIFICATIONS

Overview

The Camano Troll Model Year 2000 is a testament to maritime craftsmanship and functionality. This vessel seamlessly blends rugged durability with elegant design, making it a formidable presence on both calm waters and challenging seas alike.

Powered by a Volvo Turbo Diesel engine boasting 200 horsepower, the Camano Troll 2000 offers reliable performance and impressive efficiency. Whether navigating tranquil coastal waters or embarking on extended voyages, this powerhouse engine ensures smooth sailing and consistent power delivery.

At the heart of its propulsion system lies a single straight shaft, meticulously engineered to optimize performance and minimize fuel consumption. Complemented by a four-blade bronze propeller, the Camano Troll 2000 effortlessly slices through the water, providing exceptional maneuverability and precise handling in varying conditions.

Beyond its impressive performance capabilities, the Camano Troll 2000 exudes timeless elegance and practicality in its design. From its sturdy hull to its spacious deck layout, every aspect of this vessel is crafted with the discerning mariner in mind. Whether used for leisurely cruises or adventurous exploration, the Camano Troll 2000 offers a comfortable and inviting space for both captain and crew.

In summary, the Camano Troll Model Year 2000 stands as a shining example of nautical excellence, blending power, efficiency, and style to create an unforgettable boating experience. Whether embarking on a weekend getaway or charting a course for distant horizons, this vessel is ready to meet the demands of any voyage with grace and efficiency.
