SPECIFICATIONS

Overview

Built at the very end of 2022 (as 2023 model year), this like-new Sanlorenzo SX76, part of the ground-breaking SX range, is a perfect option for active yacht owners who truly enjoy their time at sea. With a strong emphasis on innovation and smart design, the yacht not only seamlessly blends functionality and elegance, but also connect those on board directly with the ocean. Abundant open spaces and strategically positioned portholes flood the interior with natural light, creating a harmonious indoor-outdoor interplay.

The SX76 boasts **generous living spaces including the iconic aft platform for water toys and active outdoor living**, a cockpit that blends into the saloon and forward dining area, and a spacious flybridge with helm station and both dining and lounging areas.

The central focal point on the main deck, the main saloon, invites warm social interactions with its comfortable sofas, elegant dining setup, immersive entertainment systems, and an adjacent galley, all sourced from the best Italian designer brands.

Below decks, the accommodations (all ensuite) are thoughtfully arranged, housing a spacious master suite, a VIP cabin, two guest cabins, and a crew cabin (beds for two crew).

Please contact us to book your viewing now.
