SPECIFICATIONS

Overview

The 54.4m Spirit, built as part of the successful Amels 177 Limited Edition Series, was delivered in 2011 and recently refitted in 2020. Spirit's exterior, designed by Tim Heywood Design Ltd, features vast outdoor areas ideal for entertainment. The light, bright interior design by Dôme Project Interiors can accommodate up to 11 guests across 5 cabins (Master suite, 2 VIP cabins, 1 king double cabin, and 1 massage room that can be converted into a 6th cabin, all ensuite) and 14 crew members including the captain.

Maintained to high standards by her captain and crew, Spirit has completed Lloyd's 10-year survey, undergone a full repaint of the steel hull and aluminium superstructure, and had servicing of her mechanical/electrical components, including engines, stabilisers, generators, and pumps. The full report is available upon request.
