SPECIFICATIONS

Overview

1976 Californian Aft Cabin A standout 42' Californian that's as close to new as you can get without actually being off the assembly line. This yacht isn't just another boat; it's a jewel of the sea, ready to bring luxury and adventure to its next owner. Center stage is taken by an almost brand-new Yanmar turbo diesel engine, barely touched. It's not often you find an engine this fresh, paired with a hydraulic differential that's a game changer – running two shafts for better fuel efficiency and smoother rides. We've totally overhauled this beauty: new shafts, new rudders, new thru-hulls, and new props. Believe me when I say, we didn't hold back on making sure every inch of this Californian was top-notch. The exterior? It's something else. The woodwork shines bright, freshly done, making heads turn wherever it goes. And the hull is immaculate – you won't find a scratch on it. We've kept her under cover in fresh water, which means less wear and tear and more years of enjoyment on the water. This 42' Californian is more than just a boat; it's a statement. It's ready for anyone looking to enjoy the water in style and comfort, with all the hard work of upkeep already done for you. This listing isn't just about selling a boat; it's about passing on a gem that's been cared for and upgraded with the utmost attention to detail. If you're in the market for unmatched elegance and performance, this 42' Californian is calling your name.
