SPECIFICATIONS

Overview

Van Der Heijden Superior 2000 (2009) Beautiful modern Dutch-built yacht, combining both the advantages of slow displacement sailing (the gearboxes are equipped with trolling valves for the benefit of slower sailing) and fast planning cruising – up to 24 knots - due to the 1650 h.p. engines and a special hull shape. CE A category, stabilizers and hydraulic bow and stern thrusters allow you to feel safe anywhere! Great usage of space – the aft deck and the saloon are on the same level, and with doors opened wide you can enjoy plenty of space. Nice flybridge with a helm for enjoying meals and bow area for sunbathing. Inside there are 2 separate stairs: one is for the owner's huge compartments (with an additional "children cabin") and another one is for the 2 spacious guest cabins in the bow. The owner enjoys a big aft window. The yacht has been lightly used and well cared after. Warm storage in winter. Lots of cosmetic and technical improvements were done in recent years (2017-2020). She is worth coming for a viewing!

Location: La Spezia, Italy
 CE category A
 Hull material - Steel
 Superstructure material - Aluminum
 Deck material - Teak
 L/ W/ B 19,25 x 5,31 x 1,4m
 Hull shape V-bottom, hard chine
