SPECIFICATIONS

Overview

2000 Sydney Supercat Solid Aluminium High Speed Passenger Supercat While she is ready to service just about any ferry route, you could also imagine refitting Suzie O'Neill to make an awesome yacht! Vessel is located near Sydney, Australia so travel to inspect her is simple. The 34.2m Super Cat has been maintained to a very high standard, ensuring its reliability and efficiency in service. It's well-equipped for safe and comfortable passenger transport, featuring modern navigation and communication equipment, substantial passenger capacity, and efficient propulsion systems. The vessel's design and features make it an ideal choice for ferry services, particularly in areas in 1D or 1E waters where a stable commuter transport is required. Alternative options to convert to functions vessel, tourist sightseeing vessel or luxury accommodation for 12 people in 6 suites. Vessel has been built and operated by the NSW government with financial budgets to ensure optimal servicing and reliability.
