## Overview

---

This innovative super yacht is able to guarantee high cruising performance with 2 engines CAT C32 Acert and it is also capable of reaching a top speed of 18 knots.

Thanks to a careful study of proportions and volumes and despite a lower tonnage of 500 GT, S - Force boasts environments typical aboard of the larger yachts.

Externally there are ample and generous spaces, including two decks aft, both with dining and lounge areas, and a sundeck which features a jacuzzi and a range of sun angles. The main deck features a large, circular area where guests can sunbathe and relax and that, if necessary, can also be used as a touch-and-go helipad to allow easy access for guests at all times. A spacious garage can hold a tender of 8 meters long and other water toys for fun in the water.

Characteristic elements of the interiors of this mega yachts are the sophistication of the furnishings and the elegance in the finishings who prefer rare and precious materials in light colors. With particular attention to the brightness of the environments, thanks to the large windows that flood of natural light, S – Force features a full beam in the main salon a dining area. A refined master suite complete with a private studio is located on the main deck along with a VIP cabin also this full beam. On the lower deck there are also five other cabins reserved for crew.
