Overview

Nayla is a 24.6-meter yacht from the popular Monte Carlo 80 series. Crafted in 2018, her interior is designed by Nuvolari Lenard. Nayla offers a seamless blend of indoor and outdoor spaces. The aft deck, protected by the flybridge overhead, features an alfresco dining area that extends the main deck salon. A sliding, foldable glass door allows the salon to merge with the exterior. Inside, the 35-square-meter main deck can be rearranged to create multiple living configurations. The Nayla yacht's formal layout includes a connected living and dining area with a pantry, while the main galley is located on the intermediate level. Sliding doors and panels can separate guest and service areas, enhancing privacy. The main helm station, equipped with a well-designed dashboard, offers excellent comfort and visibility. Nayla accommodates 8 guests across 4 staterooms, and a crew of up to 3. All staterooms in the Nayla feature luxurious materials, such as natural stones and hand-stitched leather. The two guest cabins have twin beds that can convert into double beds, each with ensuite heads. The VIP cabin, located forward, has an island bed, side wardrobes, and a private ensuite head. The full-beam owner stateroom, positioned at the center of the yacht, offers expansive views, a walk-in wardrobe, and a master head. The yacht's flybridge boasts a generous 41.5 square meters of outdoor living space, protected by a carbon fiber hardtop with an opening sunroof. This area has a lounge, dining area, and open-air galley. The bow lounge area, featuring semicircular adjustable tables and seating, can transform into a private dining spot or sunbathing area. Powered by twin MAN V12 1650 Hp, Nayla can reach a maximum speed of 31 knots.
