SPECIFICATIONS

Overview

Why not have the most agility? The Gentleman's Yachts 24 is the most compact of the new Picchiotti fleet and its dimensions give her exceptional agility along the coastline.

The timeless elegance of the exterior blends perfectly with the modern and luxurious interiors and decorates a large space for guests, accommodated in three to four cabins. The latter are offered in three versions: a first classic "Hamptons line" design with furniture and rooms in shades of white, a second American style "Manhattan Line" inspired by the iconic city and a third characterized by modern lines called precisely "Modern Line".

Characteristic of this model is the unfolding sea terrace and expanded beach club, among the largest on 24 meters yachts, which opens directly on the beach platform through a sliding glass door.

The Gentleman's Yacht 24 is also available in an open-air version with a lowered aft deck and a beach club ambience much more extensive.
