SPECIFICATIONS

Overview

Why not have more leisure? The Gentleman's Yachts 44 gives the most fun to the new Picchiotti fleet and with its larger volume, it can carry even more gadgets, jetski and rooms tailored for the owner.

Luca Dini interiors recreate in her a combination of natural spaces and indulgence alongside the extra crew space that can accommodate more professionals for all-day entertainment.

The characteristic of this model is the additional observation deck with a large pool terrace offering an unparalleled 360° view of the surroundings.

The Gentleman's Yacht 44 is presented here in the version with "Peconic Line" interiors, characterized by vintage furnishings. The owner's bathroom, which is very large and elegant, features white marble sinks and a blue marble shower with extremely sophisticated finishes.
