## Overview

1989 Carver 36 Aft Cabin Motoryacht The "No Escape" is a meticulously maintained 1989 Carver Aft Cabin 3607, offering an ideal blend of comfort and performance. This vessel has been lovingly cared for and upgraded by its current owner. Located in Portland, OR it presents a fantastic opportunity for those seeking a spacious and well-appointed cruiser.

**Specifications:** Builder: Carver Boat Co. Year Built: 1989 Model: Aft Cabin 3607 Hull Material: Fiberglass Hull Type: Semi planing modified V Length Overall (L.O.A): 35'7" Length Waterline (L.W.L): 31'4" Beam: 12'6" Draft: 3'2" Displacement: 18,500 lbs Propulsion System: Twin gas V-8 engines Fuel Type: Gasoline Fuel Capacity: 240 US gallons for both tanks AC Power: One (1) 125V, 30 amp inlet DC Power: 12-volt system Fresh Water Capacity: 109 US gallons Holding Tank: Yes

**Key Features:** Hull and Deck: The vessel features a white gelcoat hull with a black boot top and moderate sheer. It is equipped with stainless steel stanchions and cable lifelines, a bow pulpit, molded FRP toe rails, and excellent ventilation provided by hatches and windows. Bridge Deck: The flying bridge offers comfortable seating with white vinyl cushions, a tinted plastic spray shield, and a stainless steel tubular rail and stanchion system surrounding the cockpit area. Cabin Appointments: The interior boasts finely fitted bulkheads, storage areas, and an attractive light-colored vinyl headliner. The accommodations include two sleeping areas, two heads with showers, a well-equipped galley with double stainless steel sinks, a Norcold refrigerator, an LPG-powered stove, a Samsung Classic Collection microwave, and a Sony flatscreen TV. Engines: The vessel is powered by twin 7.4L V-8 gasoline Mercruiser engines, each generating approximately 340 rated horsepower. Electrical System: It features a 12-volt lead-acid battery-powered system, with two group 27 batteries for engines and one 4D house battery. The AC system includes one 125V 30-amp shore power inlet and a Truecharge 40+ charger inverter. Generators and Inverters: The vessel is equipped with a Kohler generator powered by a gasoline internal combustion engine. It has a 6 US gallon capacity for hot water. Fresh Water System: The fresh water system includes two tanks with a total capacity of 109 US gallons. The hot and cold water supply is provided by a Shuflo diaphragm pump. Sanitation: The vessel features two electrically operated heads with holding tanks and two grey water sump tanks. The sanitation systems are certified as MSD U.S.C.G. Type III. Additional Information: The port engine upper was rebuilt last year, with a repair cost of \$10,000.00. The flybridge front canvas windows were replaced at a cost of \$1,500.00. Both engines underwent a tune-up last year. The impellers in both engines and the generator were changed. A new shore power cord was added. All new lines were installed last year. Furnishings on board will stay, excluding personal items. The "No Escape" presents an outstanding opportunity to own a well-maintained and upgraded Carver Aft Cabin 3607, ideal for extended cruising and comfortable living aboard. Don't miss this chance to explore the waterways in style and luxury.
