SPECIFICATIONS

Overview

2020 Nautique Super Air 230 This immaculate kept Nautique is ready for new fun in the sun. It was fully customized by the current owner and his sons (down to the stitching), however, they are ready for the next chapter in their boating lives, leaving this special vessel ready for a new home. It is a coastal edition, meaning it is built for use in saltwater with heavier duty parts and the use of anti-corrosion materials. The Super Air 230 has all the latest innovation and technology to meet the performance needs of every level of rider, allowing one to find the perfect settings to create wakes and surf waves that best suit their needs. All servicing was done locally by a Nautique dealer and the V-Drive was recently fully replaced under warranty (1 year still remaining on the full warranty). The owner is also throwing in all the toys needed for a good time, including 3 Liquid Force wake boards, 2 Ronix surfboards, 3 waterskis, and all the gear necessary for a full day on the water.
