Overview

The Bertram 46 Convertible is one of the most popular convertibles ever designed and dominated the sport fishing market for over a decade, This 46' Bertram classic is like new. Powered by Rebuilt, Twin Detroit Diesel 8V92 Engines, with Red Battery System, this vessel has been Upgraded and Custom Designed inside and out. Performance wise, this vessel is highly regarded for the design, quality of construction, and performance on open waters. The current engine upgrades, custom design and interior appointments along with included equipment make this vessel much more than above average in its fleet. The precise handling and impressive seakeeping characteristics of her Deep V Hull, Wide Beam and Low Cockpit Freeboard makes her a proven rough water performer. This Two Stateroom, Two Head Floor plan has been graciously maintained and upgraded.

For all its tranquil lines and sensuous styling, the Bertram 46 Convertible is one hardworking, practical boat. It handles tough weather like a seasoned pro. Bertram's high-tech engineering and tough construction give this 46-footer all the strength and durability one could ask for without slowing her down. The galley offers a myriad of space and can be equipped to create anything from simple sandwiches to gourmet meals. A refrigerator and a range with an oven are only a few standard necessities. What passengers don't notice right away is all the additional space. There is a pantry that's more than handy, an above-counter sliding locker for additional storage, even a hidden storage opening through a countertop hatch. Continuing below is a master stateroom that's high, wide and handsome, with a large bed and a private head with a stall shower. The forward cabin, too, makes imaginative use of space, with two extra-large berths.

Basic Information
