## Overview

---

ADELIE is a beautiful example of the Beneteau Oceanis 45. Her light blue hull stands out among the fleet. Bright and airy interior with all the bells and whistles. Solar panels and upgraded electrical system make her great for being away from the dock. Ease of sail handling and bow thruster create a simple platform for single/double handing, but can sail great with a crew as well. Three private staterooms are comfortable for six and room for a couple more if wanted. The swimstep is a great way to access a dinghy or for diving/swimming.

## Basic Information

---
