## Overview

---

New to market! This is the most well-maintained and highly upgraded example of the sought-after 60 Predator EVO. Excellent running surface provides a solid ride, perfect for cruising the Bahamas or coastal US. Powered by Twin Volvo D13 shaft with 499 hours and factory warranty through March 2026.

Perfect owner-operator size with a very spacious 3 stateroom 2 head layout, plus crew quarters and tender garage. Opening the massive carbon fiber sunroof and lowering the electric glass window to the cockpit create a true open yacht experience. Put them back in place to enjoy a fully enclosed/climate-controlled salon and helm area. The cockpit offers massive L-shaped seating around a table with a huge sun pad aft. The lower galley is very spacious with plenty of storage and a lower lounge to starboard.

This one-owner vessel has been captain and dealer maintained since delivery. Additional transferable BPP extended warranty protection plan through March 2027. Some notable options and upgrades include:

- Xenta docking joystick at helm and cockpit with DPS
- Bow and stern thruster
- Diesel FuelMag conditioning system
