SPECIFICATIONS

Overview

SALUKI is a stunning, well-maintained Cabo 35 Express. She was repowered in 2021 with twin Cummins QSB 6.7 480HP, which allows her to cruise comfortably at 26-27 knots, topping out at 36 knots.

She is equipped with Furuno, Northstar, and Simrad electronics and has two helm stations (deck helm and tower helm), making her a breeze to operate.

Her accommodations include a double berth forward, head and shower aft, dinette to starboard, galley to port, and ample storage throughout.

The cockpit and exterior living areas on SALUKI are well appointed with features such as an ice maker, fresh and saltwater washdowns, a custom tower with outriggers, rod holders, a live well, ample seating, and storage, just to name a few.

Whether you are looking for a cruising vessel or a sport fishing vessel, SALUKI is turn-key and ready to cruise.
