SPECIFICATIONS

Overview

"Synergy" is very quiet, efficient, and easy to handle, making negotiating the slip, yacht clubs, and yards a dream.

Amazing yacht. Built initially as the 48LRC, the owner had her stretched to 55'. Adding 6' to the cockpit and boat deck length makes the vessel look proportional and gives you an outstanding exterior area to enjoy your surroundings. The additional size to the boat deck allows for a large 15' AB tender with a 70hp Yamaha (new in 2019) and the ability to offload to the stern or starboard.

Her current owner has spared no expense to keep her in showroom condition. If you are looking for a forever yacht with beautiful interior and efficient engines, "Synergy" should be first on your list.

Basic Information

Category: trawler

Sub Category: Long Range Cruiser

Model Year: 1976

Year Built: 1976

Country: United States

Dimensions
