SPECIFICATIONS

Overview

Once onboard DEFINITE MAYBE, you will realize she is a breathtaking beautiful craft. The 2019 F70 Princess was once the flagship of the Princess flybridge range. Her spacious flybridge has a sociable layout with a fully equipped wet bar area and open plan galley, complemented by a surround sound system and LED lighting throughout.

Forward on the lower deck of DEFINITE MAYBE, eight guests can enjoy four beautifully appointed guest cabins filled with light from the full-length hull glazing. Defined by highly detailed, hand-crafted furniture and upholstery, and a social main deck layout, this F70 is capable of speeds in excess of 36 knots and is equipped with a Seakeeper 16.

A dedicated staircase leads to the luxurious full-beam owner's stateroom, which includes a comfortable sofa, dressing table, and vanity unit, all complemented by an en suite bathroom. The forward stateroom offers a spacious double bed, while the guest cabin features an en suite bathroom and two single beds with the flexibility of electric sliding berths. Positioned aft, the additional lazarette cabin provides two single beds and can serve as an optional crew cabin. Each cabin and bathroom is equipped with opening portholes, ensuring ample natural light and ventilation.
