SPECIFICATIONS

Overview

Originally intended for sailing adventures in Florida, circumstances and time have unfortunately led to a change in plans. Despite being on land, our client has diligently maintained the vessel, with regular inspections and winterization of the Yanmar engine. Notable enhancements include a new canvas enclosure and a 20-gallon stainless steel hot water heater. This sailboat features a comfortable layout, including a V-berth, rear queen berth, a salon, and two heads with showers. While the interior woodwork may benefit from some sanding and varnishing, it presents an excellent opportunity for those seeking a substantial and well-equipped vessel. This 44' Irwin sailboat is ready to find a new captain and set sail on fresh adventures. We welcome your best offers for consideration. Don't miss out on the chance to make it yours.

Trailers are available through our Mendon, MA office.

Basic Information
