SPECIFICATIONS

Overview

One of the finest examples of superior craftsmanship and high-quality build from Sunseeker, the "V" is a spectacular 74-foot Motor Yacht of the Sunseeker Predator XPS model series. Having been constructed in the year 2023, she is an epitome of luxury combined with performance cruising, making her a highly sought-after yacht in her class. With her distinctive design and powerful features, she is primed and ready to leave her mark, no matter which coast she explores. The "V" is a tribute to the exquisite capabilities of Sunseeker, a brand known for its iconic style, design, craftsmanship, and attention to detail. Sunseeker has outdone itself with the Predator XPS model. It has fused the exceptional maneuverability and performance of a sports cruiser with the space and luxury of a larger motor yacht, creating a versatile vessel capable of both relaxing cruising and thrilling adventures on high seas. With a 74-foot (22.56m) length overall, the "V" offers a comfortable and spacious accommodation that extends to the exterior perfectly with a smart and innovative layout. The yacht's ample size offers significant and flexible interior space, with enough room to comfortably sleep and cater to a good number of guests. Not just limited to that, the expansive outdoor deck beautifully complements the indoor spaces, presenting an perfect balance between luxury and leisure. V's design exudes sophistication in its structure and style. The elegant exterior lines are comparable to a work of art, gracefully designed with intelligent architecture that makes her stand out wherever she sails. The Predator XPS model's construction is characterized by striking and contemporary hull graphics, underlining the brand's commitment to high-performance and speed without compromising on comfort or style. Internally, the vessel highlights an open plan layout, enhancing the feeling of space and light. The main saloon boasts plush seating areas, a state-of-the-art entertainment system, and a full-beam window offering stunning panoramic views of the surroundings. The galley is fully fitted with modern appliances, spacious storage, and a well-designed preparation area, making it easy to cater to guests onboard. The lower deck is efficiently designed with spacious staterooms, ensuring utmost privacy and comfort to guests. The en-suite master cabin is particularly lavish, featuring a large double bed, designer furnishings, and luxurious fittings. The additional guest cabins are also beautifully designed, with premium furnishings and ensuite facilities. Performance wise, V is an outstanding model in the Sunseeker's Predator range. Powered by powerful engines, she is capable of achieving impressive speeds, making her a thrilling ride on the waves. Her fine-tuned handling and stability ensure a comfortable experience for all onboard, even at high speeds. This performance capability doesn't compromise on her fuel efficiency, another testament to Sunseeker's dedication to quality and efficiency. Notably, the yacht boasts a sophisticated navigation station complete with advanced technology and instrumentation, ensuring safe and effortless cruising, irrespective of the conditions. The helm station is well outfitted, with all controls and navigation equipment

conveniently located and easy to operate, allowing for commanding views and vessel operation. In terms of outdoor living, V presents an spacious aft deck space facilitating outdoor dining and lounging, replete with comfortable seating and sunbathing areas. The whole space is designed to bring guests closer to the water and the surroundings, offering the ultimate outdoor experience. In summation, Sunseeker's "V" stands as a true testament of the brand's renowned quality standard and craftsmanship in the world of motor yachts. Combining high performance with an attractive design and impressive functionality, the 2023, 74-foot Sunseeker Predator XPS model yacht "V" offers a unique sea-faring experience sure to satisfy both adventure seekers and leisure cruisers alike.
