SPECIFICATIONS

Overview

2017 Greenline 33 Hybrid The Greenline 33 is the model of modern efficiency. With 1980 watts of solar and 11.5kw of lithium storage, you can cruise in electric at 5kts or with the turn of a button, switch over to diesel mode and cruise at 15kts! With the large battery and inverter you will always have 110v power available and never have the need of a generator. Greenline Yachts from Slovenia has been building yachts since 2009 and Hybrids since 2011, and has delivered over 700 yachts in that time. This is a one owner boat with only 500 engine hours (electric hours are not recorded), that has just received it's 500hr service. The vessel is located in Canada and will be subject to 1.5% duty to US buyers. For additional information or to make a boarding appointment, contact one of our professional brokers. We are always available to answer your questions regarding this listing.
