SPECIFICATIONS

Overview

2023 Greenline 48 Flybridge In Stock at our docks on South Lake Union Hull #101 has Twin Cummins QSB 6.7 380 hp Diesels (Non Hybrid) The Greenline 48 Fly features a superior hybrid hull design resulting in a fuel-efficient yacht that is a pleasure to drive. Onboard solar panels combined with large battery banks provide electric power reducing reliance on marinas and hours on the generator. The Greenline 48's interior is full of natural light, with large windows offering great visibility and a feeling of connection to the natural environment. Well-designed cabins offer flexibility in terms of layout and plenty of comfort to make living onboard a luxurious experience. This vessel features 3 staterooms with 3 in-suite heads.
