## Overview

---

TOORA LOORA is a great example of the popular Grand Banks 42 Europa. The current owner, her third, has enjoyed her for 14 years and now wants to move to a bigger Grand Banks model. She has a centerline queen bed for the owner and an offset double cabin for guests, making her ideal for a couple or small family. The main deck includes easy-to-use walk-around side decks and a covered cockpit. The large flybridge, accessible via simple stairs, offers great upper deck space. With low engine hours and seasonal use in the northeast, she should be a top choice for any cruiser. She is ready for her next adventure.
