## Overview

### Rare Owners Version Voyage 430

**SeaEsta** has been absolutely pampered by her long time owners of the past 20 years. She has never been chartered. She features an IDEAL LAYOUT with a massive galley and bar seating, a comfortable salon, three staterooms with queen berths, and two heads (master has a separate shower stall). The Voyage line of catamarans is renowned for their double digit speed, innovative design features, head-turning good looks, and build quality that is second to none. Designed by Alexander Simonis, this South African built cat was built for both performance and comfort. Self sufficient in every way, she will keep her crew happy, comfortable, and safe. The livability of this boat is amazing and storage room is exceptional.

SeaEsta is perhaps one of the most well known sailboats in the Pensacola area. I have personally known and anchored out with the sellers and this boat for the past 16 years. She is exceptionally clean and has been continually upgraded. Her bilges are bone dry and spotless. Whoever ends up with this one is going to feel very lucky!
