SPECIFICATIONS

Overview

New to the market is this 2017 Robalo Cayman 226, a versatile and rugged vessel designed for the dedicated angler and family adventures alike. Fitted with a Yamaha 200 engine recently serviced with only 520 Hours. This boat spent most of its life on a fresh water lake in Oklahoma! Step aboard this fishing machine and discover the convenience three well placed 30-gallon live wells/fish boxes, each with a gel coat finish. The Minn Kota trolling motor keeps you secure to the fish in strong currents, and the pedestal seat on the bow for comfortable fishing and operation for all anglers. Comfort meets functionality with the brushed anodized leaning post, complete with a supportive backrest and an integrated 54-quart cooler. The fishing deck on the bow can quickly convert to a lounge pad with its built in back rests, for a nice day at the sand bar, or an evening cruise to dinner on the water. Storage solutions abound with the custom-molded forward lockable storage compartments, complete with drains to keep your gear dry and organized. From tackle boxes to personal belongings, rest assured that your essentials are securely stowed away, allowing you to focus on the thrill of the chase without distractions.

This 226 Cayman also comes with Coyote tandem axle trailer in the pictures! Don't wait too long to arrange a showing or make an offer before traveling to see it. This Cayman in this condition will sell fast!
