## Overview

---

PRELIMINARY LISTING NEW FULL INTERIOR COMING SOON!!!!The biggest boat in the Nautique line has seating for 19 people, some interior improvements and a modified hull that improves surfing. The Super Air Nautique G25 is great for big crews, or people who just like extra space and want a wakeboard and surf experience that's every bit as good as the venerated G23.This Nautique G25 is enormous. You've got 2,850 pounds of subfloor ballast, cavernous storage, a 6,400-pound dry weight, 83-gallon fuel capacity, a 25-foot LOA and a cup holder for every drink. Despite the boat's size, there's no compromise in drivability with a new series of direct-injection PCM engines, which makes for a better balance of torque and horsepower at water-sports speeds and loads. The Nautique Configurable Running Surface (NCRS) adjusts the bottom of the boat to optimize for a big wake, turning, hole shots or running down the lake. You can feel the boat's running attitude change while you're driving, and it makes the boat handle like a much smaller hull. The Nautique G25 2016 surf experience is as good as it gets. The hull was redesigned specifically to improve surfing, the Nautique Surf System (NSS) switches three times faster, and the new Surf Select system puts the surfer in control. Switch sides with the Surf Switch or, for total power, you can get the app for the Pebble Watch and control NSS, Zero Off speed control and even the music.Comes with trailer!!!!New additions -New prop3 new ballast pumps
