## Overview

---

### BIGGEST 38' FAMILY CRUISER IN THE WORLD

The Selene 38 Archer Aft-cabin is based on the successful Archer design with several technical improvements like Diamond Sea Glaze sliding doors, optional Seakeeper gyro stabilization, Li-Ion batteries, a new electricity management system, a sea-chest for easier maintenance, and an optional water maker with the high-voltage auto-clean system, etc..... A happy and classy gentleman's yacht has been cruising in British Columbia, the Bahamas, the Greek islands and Southeast Asia for decades. This beautiful and charming pocket yacht has always been incredibly popular because its unique layout guarantees privacy to four people or two couples. Because of its moderate size, it can be hauled out by the smallest Travelift and accommodated in almost any marina anywhere in the world. Thanks to its classic lines designed by Howard Chen and the legendary marine architect Ted Hood, winner of the 1972 America's Cup, the Selene 38 Aft-cabin model is, and will remain, one of Howard Chen's favourite yachts. When creating this yacht, the designers adopted the unique concept of the "Whale Back" hull, which was a trademark of Ted Hood's designs. This is why the aft cabin concept has so much headroom and space in the engine room. It probably has the best engine room layout for its size anywhere.

## Basic Information

---

**Category:** trawler

**Model Year:** 2024

**Year Built:** 2024
