SPECIFICATIONS

Overview

The new "Selene 42 EuroDeck" which JTM has been developing for several months will come out soon. We used the original "Selene 42' Archer" hull and created a new superstructure. The hull is designed with a single Cummins QSB230HP. The two staterooms layout has a beautiful teak interior and a well-equipped galley. Compared with the "Selene 42' Archer", it owns a more spacious saloon, flybridge and engine room. The enlarged fuel tank of 700 gallons will guarantee a longer cruising range. We have received a very good response after we first presented it. We believe this new product will bring new business to us all, and she will be a winner!

Basic Information

Category: trawler

Model Year: 2024

Year Built: 2024

Country: New Zealand

Dimensions

LOA: 45' (13.7mm)
