Overview

Brand New 2023 SIRENA 68

- New Boat Warranties Start at Purchase -

Sirena Yachts have a unique combination of modern styling, a seaworthy hull design, and extensive boat features in a mid-sized package. All Sirena models are built to CE Category A standards and can make offshore bluewater passages. The Sirena 68 is designed for experienced owner-operators but with ample crew accommodations. All Sirena models offer more interior volume that is better laid out than comparable yachts; however, she stands away from the competition away from the dock.

Sirena Yachts are the brainchild of the renowned German Frers and his design team. Frers, a world-class yacht designer with a portfolio of over 1,300 designs, including some of the most successful racing and cruising sail and powerboats, has left his mark on the Sirena with his exceptional hull, exterior styling, and concept. The modern interior of the 68 was masterfully crafted by Cor D. Rover, adding another layer of excellence to the Sirena.

East Coast Yacht Sales is your Sirena Yachts specialist in the Northeast USA, with eight offices from Maryland to Maine. Contact us directly to schedule an appointment to onboard this yacht in Somerset, MA.
