SPECIFICATIONS

Overview

Leopard 47 sailing catamaran completed by Robertson & Caine in south Africa in 2003. Same owners have lived and cruised aboard Dreaming On since 2008 running all-inclusive fully crewed charters in Belize. Fitted out and well cared for as Owner/Operator charter yacht with many additional features and facilities, with continuous improvement, maintenance and upgrades. The Leopard 47 is renowned for its strength of construction and seaworthiness & this model is in great shape. This Catamaran is running crewed charters until August 1st and the owners are happy to discuss selling prior to those charters being completed allowing the new owner potential tax advantages of having a catamaran being ran as a business.
