## Overview

---

The Cantius models are among some of the most well built, laid out and equipped express cruisers on today's market. Someday 2 is a beautiful and well maintained example of this highly popular design, that PowerBoat Guide states, "is a surprisingly spacious 41 footer with a fully enclosed pilothouse, expansive cockpit, and a very large midship guest stateroom with twin bunks and a private head". They go on to speak glowingly of this great design! She's extremely well equipped with the best of electronics from 2015 and loads of goodies. Factory comments: With the sporty 41 Cantius, you'll never again be in search of the water's most exciting venue. The 41 is it. Designed with features and amenities that create the perfect atmosphere for entertaining, you're the host with the most at any dock. It's all a result of the 41's much-lauded open-concept layout, which invites everyone to participate in the experience and stay connected.
