Overview

NEW 2024 SIRENA 58

Just Arrived in the USA

Hull number 79 of the Sirena 58, a truly exclusive model, is the pinnacle of our offerings. With many custom options and a rich interior decor package, this is a unique opportunity for the discerning buyer, not to be missed for the 2024 cruising season.

Sirena Yachts have a unique combination of modern styling, a seaworthy hull design, and extensive big boat features in a mid-sized package. All Sirena models are built to CE Category A standards and can make offshore bluewater passages. The Sirena 58 is designed, engineered, and built for an owner/operator and couples cruising. All Sirena models offer more interior volume that is better laid out than comparable yachts, but away from the dock, she really stands apart.

From its hull to its exterior styling, the Sirena is the brainchild of the renowned German Frers and his design team. With over 1,300 designs, including some of the world's most successful racing and cruising sail and powerboats, Frers is synonymous with excellence. Tommaso Spadolini and Cor D. Rover, leading the interior design for Sirena Yachts, with bespoke interior accouterment provided by Newport Yacht Interiors, further enhance the yacht's allure.

East Coast Yacht Sales is thrilled to be your Sirena Yachts specialists in the Northeast USA, with seven offices from Maryland to Maine. Contact us today to learn more about these incredible boats!
