SPECIFICATIONS

Overview

The Sun Cat was designed as an easily driven, roomy day boat and overnigher with a shoal draft to gunk hole along coasts and in harbors not accessible to more burdensome yachts. Outfitted with the Mastendr™ quick rig sailing system and stainless steel centerboard with fiberglass trunk, the Sun Cat will provide convenient trailering and maintenance-free enjoyment. Individuals who appreciate timeless design and quality fabrication, who wish to explore coastal waters and quiet creeks, and who demand value from a yacht, will warmly relate to the "new tradition" that the Sun Cat brings. Please note, the boats in the photos are of sister ships and have options not included.
