SPECIFICATIONS

Overview

Ataraxis is a South-African built Catamaran ideally suited for private use or day charters due to the huge interior volume. The owner cruised all the way from South Africa to Madagascar and across to Mauritius covering some serious miles in comfort and safety.

The yacht consumes very little fuel giving her in excess of 1000 Nm range and is fully kitted-out for long distance cruising.

In terms of layout, Ataraxis has three guest cabins all en-suite and two crew cabins, one in each hull. The Master cabin is full-beam and forward with an ensuite and walk in wardrobe on either side. The flybridge adds a whole new dimension and it really feels like an 85 footer in a 64 foot package. The hulls were just resprayed in Sicily and the Yacht is now back in Malta ready to be sold to its new owner. Viewings are highly recommended.
