Overview

The *Sunseeker 88 Yacht MOZZ II* is a striking blend of luxury, performance, and modern design, making it the ideal choice for those looking to explore the Mediterranean in style.

Designed by the renowned naval architect Don Shead, *MOZZ II* was originally built in 2012 and underwent an extensive mechanical and aesthetic refit in 2023, ensuring it offers all the latest in comfort and technology.

Spanning 26.88 meters, *MOZZ II* can reach an exhilarating top speed of 30 knots thanks to its powerful twin MTU 12V 2000 M94 engines, while comfortably cruising at 23 knots. This combination of speed and efficiency makes it perfect for island-hopping adventures around Ibiza, Mallorca, and the Balearic Islands.

The yacht's sleek exterior lines and contemporary interior design, featuring dark teak wood and panoramic windows, provide an open and airy ambiance, offering the perfect balance between relaxation and adventure.

Accommodating up to 10 guests in four luxurious staterooms—including a master suite, VIP cabin, and two twin cabins with pullman bunks—*MOZZ II* ensures comfort and privacy. Each cabin is equipped with ensuite bathrooms, designed for the ultimate in luxury living.

The spacious flybridge, complete with a wet bar, sun loungers, and panoramic seating, is perfect for enjoying the Mediterranean sun, while the aft deck features an alfresco dining area ideal for relaxing meals with family and friends.

With a professional crew of four dedicated to making your experience unforgettable, *MOZZ II* is equipped with state-of-the-art navigation and entertainment systems, water toys including seabobs and paddleboards, and a brand-new 100 HP tender (2023).
